

ACEN Outcome Disclosure Information for the Practical Nurse Program

Program Completion Rate: The program completion rate is calculated based upon the on-time program completion rate for each program option from the first nursing course through completion of the courses required for conferral of a certificate, diploma, or degree.

Program Completion Table for the Practical Nurse Program

Program Completion – Aggregated for the Entire Program			
Year	Total number of students starting in the first nursing course	Total number of on-time graduates	Program Completion Rate
2023 July 10, 2023 and October 2023 start dates	N = 53	N = 33	62.2%
2024 January 8, 2024 start date	N = 38	N = 25	67.78%

Licensure Exam Pass Rate: Licensure Exam rates are based on first time candidates who took the National Council Licensure Examination (NCLEX-PN) from January 1, 2023, through December 31, 2023, and January 1, 2024 through December 31, 2024. These rates are based on results as reported by the Ohio Board of Nursing

NCLEX Pass Rates for Practical Nurse Program

Year	2024	2023
-------------	-------------	-------------

First Time Pass Rate	88.55% (116/131)	90.43% (104/115)
----------------------	------------------	------------------

Job Placement Rates: Job placement rate data is collected within one (1) year of graduation to determine who is employed in a position for which the nursing program prepared them (LPN role). This data is collected by the academic year (July 1 - June 30). The graduate response rate is calculated by the number of graduates successfully contacted divided by the number reporting having secured employment in the LPN role.

Job Placement Rates for the Practical Nurse Program

Job Placement Rate – Aggregated for the Entire Practical Nurse Program	
Fiscal Year July 1 – June 30	2023- 2024
Response Rate	93.9% (123/131)
